

Reading with the Rays

Kicks Off at Your Public Libraries

The Pinellas Public Library Cooperative summer reading partnership with the Rays baseball team kicks off on June 12 at the Pinellas Park Public Library located at 7770 – 52nd Street, Pinellas Park 33781. This special event, just for kids, will host a special appearance and storytime with a Rays baseball player. Just as school gets out, families can pick up their “Reading with the Rays: Read Your Way to the Ballpark” score cards at public libraries throughout Pinellas County. This summer reading program includes opportunities for youth to circle the bases on their game card and win great prizes, including one free ticket to a Rays baseball game once a participant has made it to Home Plate!

Along with our other major partner, the *Tampa Bay Times' Newspaper in Education*, PPLC and the Rays Foundation are promoting this program designed to emphasize the importance of continued literacy throughout the summer months. Join us as we “read our way to the ballpark” this summer!

For more information, please contact Paula Godfrey at the Pinellas Public Library Cooperative at (727) 441-8408.

Your Career, Your Finances, and YOU: Teen Financial Literacy

The Pinellas Public Library Cooperative has continued its partnership with Bank of America and Junior Achievement to present the two-part workshop series, *Your Career, Your Finances and YOU*. Through a grant award given by the Bank of America Charitable Foundation, our libraries across Pinellas County will host financial literacy and job readiness workshops for teens aged 12-18 during the months of June, July and August as part of our summer program.

Each library will host two programs: one program will focus on teen job skills including interviewing, resume writing and business etiquette; the second will focus on how teens should manage their finances once employed (budgeting, credit cards, etc.). Our partner, Junior Achievement, has established the curriculum in conjunction with Bank of America.

“Bank of America recognizes that preparing teens for success in the job market is an investment in our future workforce,” said Bill Goede, Bank of America Market President for Tampa Bay. “We are proud to partner with the Pinellas Public Library to give our youth easy access to the tools and information they need to join the workforce and be good stewards of their finances, which in turn boosts our economy.”

Each program will include incentives, giveaways and educational games to strengthen the importance of essential job skills and solid financial literacy. In addition, participants will receive free meals during the two and a half hour sessions. Come and join us as we launch our new year of valuable teen programming for Pinellas County’s youth. Program dates and locations will be announced on our Website beginning in June at www.pplc.us.

For more information regarding the program, please contact Paula Godfrey at the Pinellas Public Library Cooperative office at (727) 441-8408.
