

December 2019 Program Guide

A Monthly Publication of the Pinellas Public Library Cooperative

www.pplc.us

PPLC Celebrating 30 years of CONNECTING COMMUNITIES!

In 1989 the **Pinellas Public Library Cooperative** was formed when a referendum was passed. The referendum offered residents in the unincorporated areas of Pinellas County the opportunity to tax themselves up to .5 mils for library services. The referendum passed with a 75% majority.

Previously, only Pinellas County residents living in cities with libraries had access to a public library in their city. In 1989, 12 libraries joined the Cooperative, and Clearwater joined the Cooperative in 1994. In 2013 the East Lake Community Library, previously a branch of the Palm Harbor Library, joined the Cooperative as a full member. Today PPLC has 14 member libraries with a total of 24 locations, and one member library (Largo) has a bookmobile!

When the Cooperative was formed several changes occurred

- Residents in unincorporated Pinellas County became eligible for a free PPLC library card and gained access to all libraries in the Cooperative.
- People with city library cards were eligible for a PPLC library card, which afforded them access to all libraries in the Cooperative.

- Residents in other parts of the county could pay an annual fee to obtain a PPLC library card, and gain access to all libraries in the Cooperative.
- PPLC member libraries began receiving funding from unincorporated residents (through the County) for library services.

In addition to connecting libraries and communities, PPLC administers programs that benefit all residents of Pinellas County regardless of where they live:

- The **Deaf Literacy Center (DLC)** serves Deaf individuals and families.

The DLC provides outreach services through libraries across the county that include Sign Language classes, tutoring, family education, and much more.

- The **Pinellas Talking Book Library (PTBL)** serves Blind, vision impaired, and reading impaired residents of Pinellas and Sarasota Counties. The PTBL is part of a nationwide network of cooperating libraries. Books and magazines in audio formats and Braille, plus compatible playback equipment from the National Library Service for the Blind and Physically Handicapped (NLS), Library of Congress, are loaned free of charge. All materials are sent to clients and returned to the library via the United States Postal Service with postage-free mail.

Together, PPLC and its member libraries provide world class services to residents of Pinellas County. Whether you live in an incorporated municipality or in an unincorporated part of the county, a public library is where you want to be. Tell all your friends and family to visit a library near them today!

Adult Classes & Events

Clearwater Public Library System

Main Library
