Program Guide

A Monthly Publication of the Pinellas Public Library Cooperative

www.pplc.us

Let YOUR Pinellas Public Library take you on a journey through time and space this summer!

The month of May marks the end of the school year and the start of summer!

As kids and teens begin to have more free time over the summer months, it's important to keep them engaged with learning and reading so they do not experience "learning loss" while out of school. YOUR Library has been hard at work over the past months planning classes, events, and interactive activities for this year's

Summer Reading Program! This year's theme, "A Universe of Stories", was selected to inspire people of all ages to dream big, believe in themselves, and create their own stories. This year's summer reading program also coincides with NASA's 60th birthday and the 50th anniversary of the Apollo 11 Moon Landing.

Kids won't be the only ones having fun in Pinellas Public Libraries this summer! YOUR Library will host exciting, fun, educational, and cultural activities for participants of all ages! Ready for takeoff? Explore this program guide to get started learning about the events across Pinellas County Public Libraries!
