A Monthly Publication of the Pinellas Public Library Cooperative

LOVE your Library?

You are in good company.

By Martha Frenchek

In Pinellas County and throughout the U.S. this month is dedicated to people who love our libraries. You know, the buildings devoted to the reading, housing, organizing, categorizing, and finding of books.

YOUR Pinellas Public Libraries provide so much more than a place for us to enjoy great novels or to discover amazing adventures and untold history. Yes, they help you ace your research papers and provide a quiet space to study, but they do so much more.

For preschoolers, library staff and volunteers help develop a love of libraries with theater and hands-on activities exposing them to music, art and their first friendships. Entire communities rely on their libraries for meeting spaces, small business incubators, public forums, socials, and cultural events. Lifelong learners benefit from homework help, classes, technology instruction, and online learning tools.

YOUR libraries lend not only books but music, movies, audio, musical instruments, tools, board games, and a host of downloadable

items. Rotating art displays give local artists exposure to the community. Many Pinellas Public Libraries also provide preservation services, preserving some of the most treasured books, periodicals and documents for future generations to have. The list is endless!

Continue enjoying your library, and consider volunteering your time, too! You can help grow the next generation of Library Lovers!

“If you have a garden and a library, you have everything you need.”

- Marcus Tullius Cicero
