With a Little Help from Our Friends:

Recognizing the heart & dedication behind our libraries

In honor of the 20th Annual National Friends of the Library Week (October 19-25, 2025), we acknowledge the generous communities that keep Friends groups thriving.

The mission of these groups typically focuses on:

- supporting library services
- promoting literacy
- enhancing community engagement

Through memberships, volunteering, and donations, libraries throughout the county receive valuable support for programming, supplies, staff development, and more.

Friends groups often provide consistent, long-term support to their libraries, and provide funding for:

- special events
- educational programs
- technology upgrades
- improvements to library spaces

Their contributions help launch new initiatives, maintain ongoing programs, and expand opportunities for community members to connect, learn, and explore. Many Friends groups have decades-long histories of dedication, making a lasting impact year after year.

Fundraising efforts typically include book sales and other creative events that bring people together while generating resources for the library. These sales often feature a variety of items such as books, media, games, and unique donated goods offered at affordable prices to the community. Proceeds are used to enhance library services and enrich the experiences of visitors of all ages.

You can support your local Friends group by taking advantage of these sales and fundraisers. Check inside the program guide or visit your Pinellas Public Library for more information.

Please consider joining your local Friends of the Library and encourage others to do the same!
