Growing Together Through Family Literacy

By Michelle Howard, Countywide Services Manager

Over 30 years ago, the U.S. Congress declared November 1 as National Family Literacy Day. The entire month of November is now recognized as National Family Literacy Month, a time to acknowledge the importance of reading, writing, and lifelong learning for every member of the family.

PPLC and its Member Libraries are here to support literacy in every stage of life. From storytimes and early learning activities for children to book clubs and lifelong learning classes for adults, libraries provide opportunities for families to read, learn, and grow together. Many Member Libraries also offer ESOL (English for Speakers of Other Languages) classes, homework help resources, and early literacy kits to help children build strong reading skills from the start.

For families on the go, PPLC Member Libraries offer free access to digital collections. With your PPLC library card, you can borrow eBooks and audiobooks, as well as access e-resources such as the language-learning platform, Pronunciator – perfect for family reading time or learning wherever you are. Don't forget about the Museum Pass program, which allows families to explore local museum partners for free, adding cultural literacy to shared learning experiences.

PPLC also provides specialized literacy programs. The Deaf Literacy Center offers free American Sign Language (ASL) classes, tutoring, and resources designed to support the local deaf and hard-of-hearing community and their families. The Pinellas Talking Book Library ensures that residents with visual, physical, or reading disabilities have access to books, magazines, and newspapers in a variety of accessible formats.

This November, celebrate National Family Literacy Month by exploring all the resources available at YOUR library!

Adult Classes & Events
