Share the Library: Encourage Friends & Family to Get a Library Card

By Michelle Howard, Countywide Services Manager

September is Library Card Sign Up Month! Since you're reading this, you're probably already a library fan and have your own card. Now it's time to share the joy and bring your friends and family to get their own library cards!

You probably know someone who needs a library card – think about the people in your life who could use a little more entertainment for a lot less money. Your friends who talk about ways to curb their doomscrolling? Show them how to download an eBook on Libby! That new neighbor who is looking for fun things to do with the family on a budget? Tell them about storytimes, children's programs, and movies, not to mention board games and puzzles to check out and enjoy at home.

If someone thinks the library is just about books, prove them wrong! Library cards open the door to digital resources, movies, music, games, programs, museum passes, and so much more. Best of all, there's nothing to lose. A library card is free and can lead to so much good stuff.

So this September, be a library influencer. Tell someone about YOUR favorite Pinellas Public Library. Invite a friend to join you for a program. Talk up the latest book you loved. Or just ask, "Do you have a library card?" If they don't, help them get one. Because the library is better when everyone knows they're welcome.
